To Whom It May Concern

Employment Reference Letter

The exact start date of Alper Çubukçu's employment in the position of Software Developer was 15/09/2021 marking the initiation of a journey that lasted until 27/12/2022. This period encapsulates a wealth of experience and growth, both for the employee and the organization.

The Statement outlines Alper Çubukçu's commitment to excellence during their tenure. As a testament to their dedication, the working hours per week were 40 hours, reflecting the demanding yet rewarding nature of full-time employment in the software development domain, with a standard schedule from 9 a.m. to 6 p.m.

In the position of Software Developer, Alper Çubukçu shouldered a range of responsibilities:

- Developed and maintained software applications in accordance with project requirements.
- Collaborated with cross-functional teams to analyze and refine software specifications.
- Conducted code reviews and provided constructive feedback to enhance code quality.
- Resolved complex technical issues and bugs in a timely manner.
- Participated in the design and implementation of software solutions to meet business objectives.

Sincerely,

Taylan Tüfekçi

Co-Founder
